**PUBLIC SERVICE COMMISSION  
OF SOUTH CAROLINA DOCKETING DEPARTMENT NOTICE  
OF FILING DOCKET NO.  
2005-352-W**

Total Environmental Solutions, Inc. ("TESI") has petitioned the Public Service Commission of South Carolina ("Commission") for approval of a Water Supply Agreement with the City of Westminster, South Carolina ("Contract").

According to TESI's Petition, TESI is informed and believes that, from at least as early as the 1980s, water utilities

in the Foxwood Hills Subdivision have purchased water in bulk from the Westminster Commission of Public Works, or the City of Westminster, (collectively, "Westminster"). Westminster has always provided this bulk water to the Foxwood Hills operation without a written contract. Over the past several months, TESI has sought and obtained a Water Supply Agreement with the City of Westminster. TESI did this in part because the South Carolina Department of Health and Environmental Control ("DHEC") requested TESI to do so, and in part to provide TESI and its customers with the certainty associated with such a contractual agreement. TESI is informed and

believes that the Contract is in the public interest, since it establishes an additional degree of certainty in Westminster's provision of bulk water to TESI which, in turn, adds further stability to TESI's provision of water service to its customers.

A copy of the Company's Petition can be obtained from the Commission at the following address: Public Service Commission of South Carolina, Docketing Department, 401 Executive Center Drive, Columbia, South Carolina 29210. Additionally, the Petition is available on the Commission's website at [www.psc.sc.gov](http://www.psc.sc.gov) and is available from John F. Beach, Esquire, Ellis Lawhorne & Sims, P.A., Post Office Box 2285, Columbia, SC 29202.
